

**ZELENI IZLET**

**Posjet močvarnom području Republike Hrvatske  
Parku prirode Lonjsko polje i selu Čigoč**

**GREEN TRIP**

**Visit to the wetlands of the Republic of Croatia, the  
Lonjsko Polje Nature Park and the village of Čigoč**

Učiteljica Daniela Crnković i učenici PŠ Prekopakra,

travanj 2023.

Teacher Daniela Crnković and students od Prekopakra Primary School,

April 2024

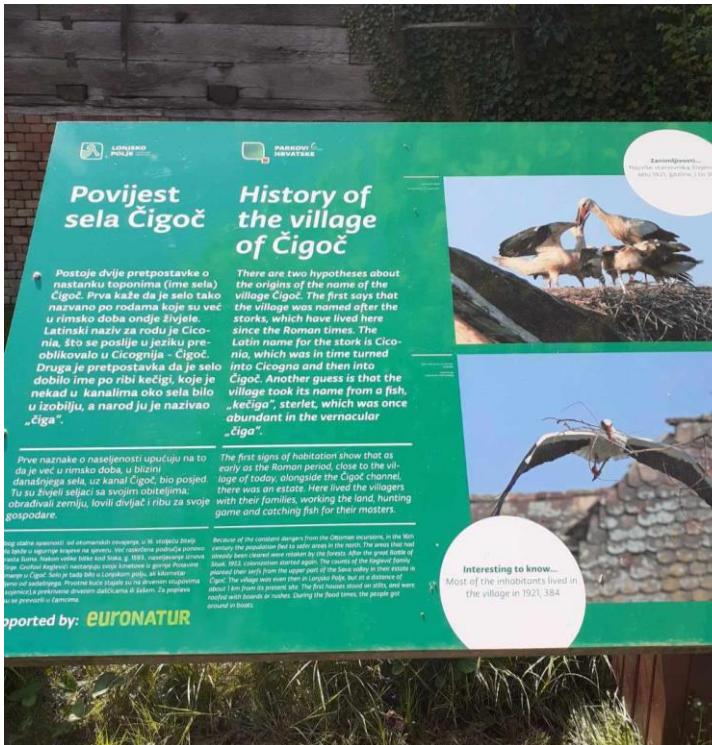

U parku prirode Lonjsko polje učenici su proveli cijeli dan te sudjelovali u mnogim aktivnostima koje su bile podijeljene kroz nekoliko radionica.

In the nature park Lonjsko polje, students spent the whole day and participated in many activities that were divided into several workshops.

# 1. Radionica: Upoznavanje s prirodnim ljepotama i specifičnim obilježjima sela Čigoč i PP Lonjsko polje

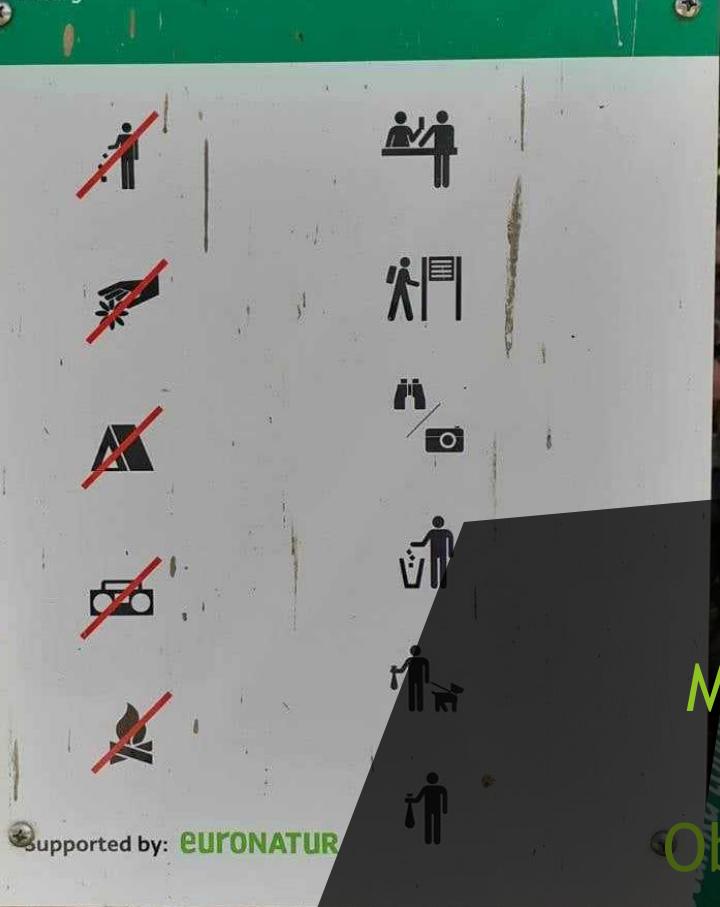

## 1. Workshop: Getting to know the natural beauty and specific characteristics of the village of Čigoč and nature park Lonjsko polje

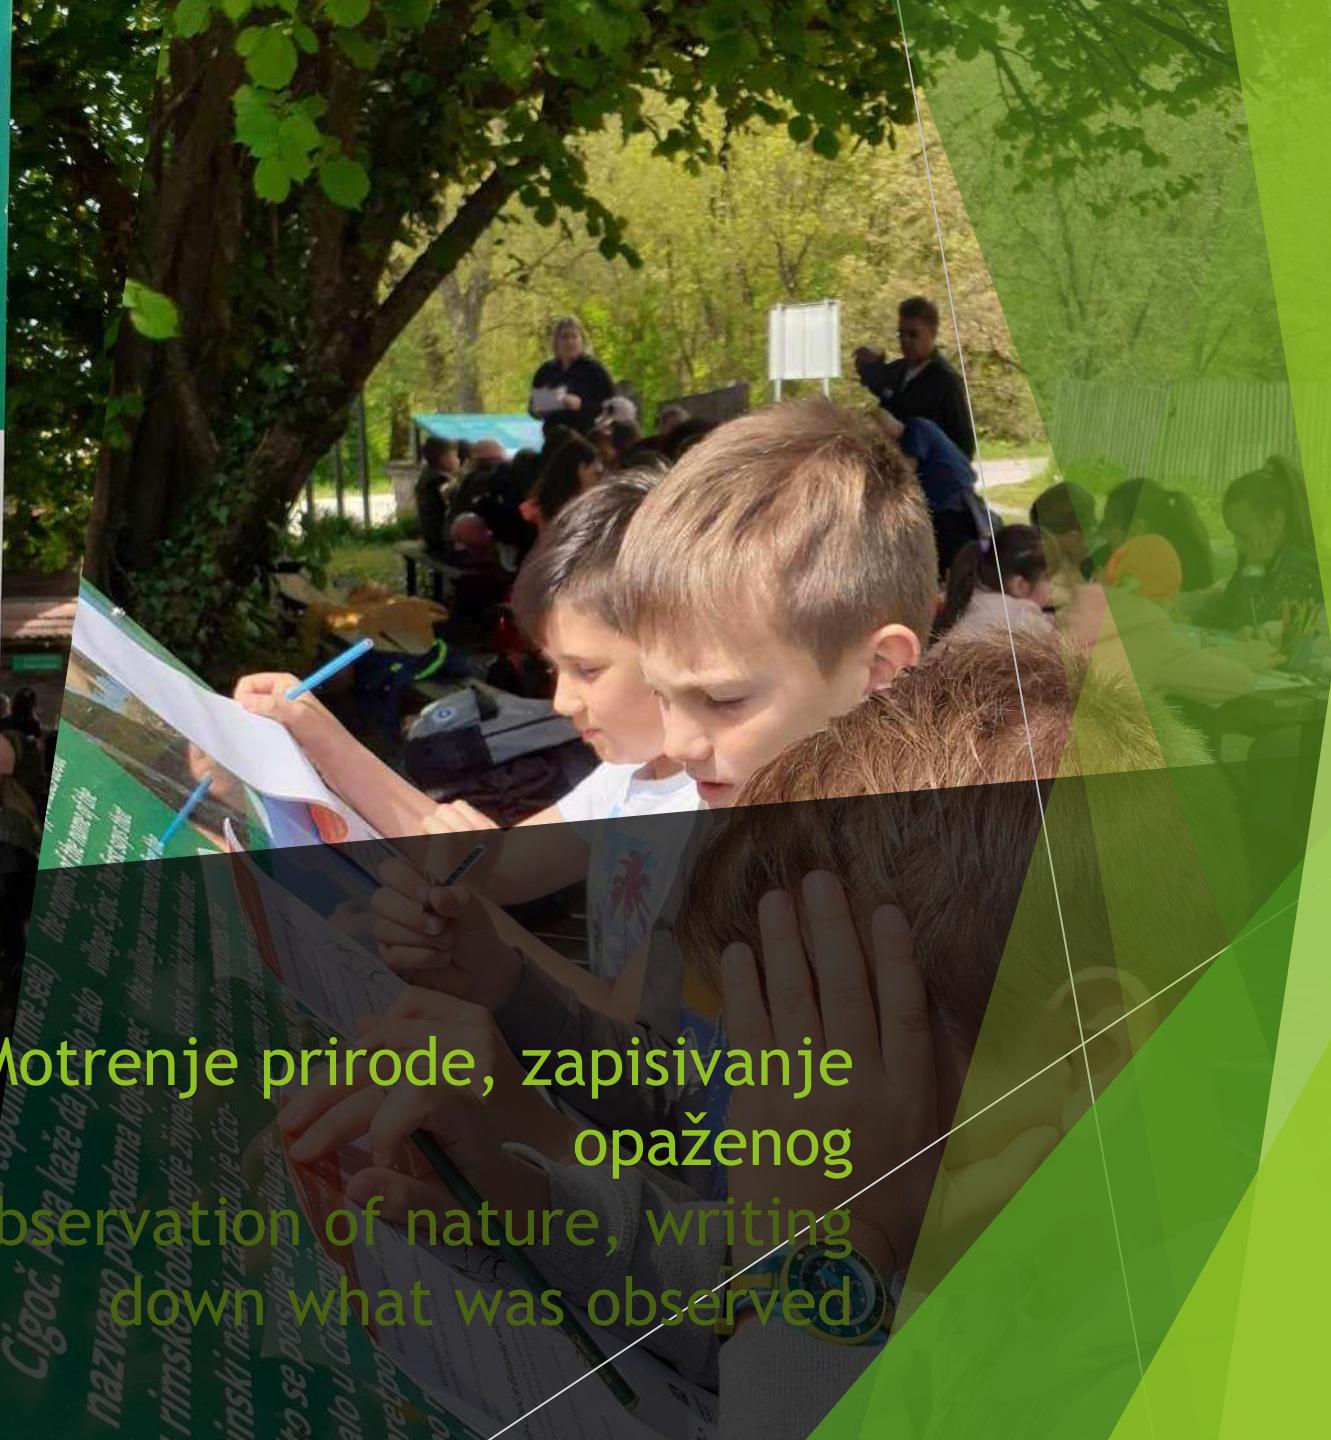

## Pravila ponašanja Code of conduct

Unutar granica Parka dozvoljeno je kretanje posjetiteljima samo na područjima i stazama koje su označene i namijenjene razgledavanju i posjećivanju

Visitors are allowed to move within boundaries of the Park only in areas and paths that are marked and intended for sightseeing and visiting

Motrenje prirode, zapisivanje  
opaženog  
Observation of nature, writing  
down what was observed

2. radionica: šetnja selom Čigoč i brojanje rodinih gnijezda i roda (lov na rodina gnijezda), traženje najnižeg rodinog gnijezda

2nd workshop: walking through the village of Čigoč and counting stork nests and storks (hunting for stork nests), searching for the lowest stork nest

Na dimnjacima, krovovima i drvenim stupovima nalazi se čak 47 gnijezda. U Čigoču i okolini živi oko 500 parova roda. Selo Čigoč nosi titulu prvog europskog. Najniže rodino gnijezdo.

There are as many as 47 nests on chimneys, roofs and wooden posts. About 500 pairs of storks live in Čigoč and its surroundings. The village of Čigoč holds the title of the first European village. The lowest family nest

3. radionica:  
Upoznavanje s načinom  
gradnje rodinih gnijezda  
i životom rode,  
promatranje ponašanja  
roda dalekozorom  
3rd workshop: Getting to  
know the way of building  
stork nests and the life  
of a stork, observing  
stork behavior through  
binoculars

## 4. radionica: Upoznavanje s načinom gradnje drvenih kuća i obilježjima posavske kuće

Posavske kuće se mogu rastaviti poput lego kocki i ponovno sastaviti. Stanovnici su kuće rastavljali i pomicali na suho područje u vrijeme poplava.

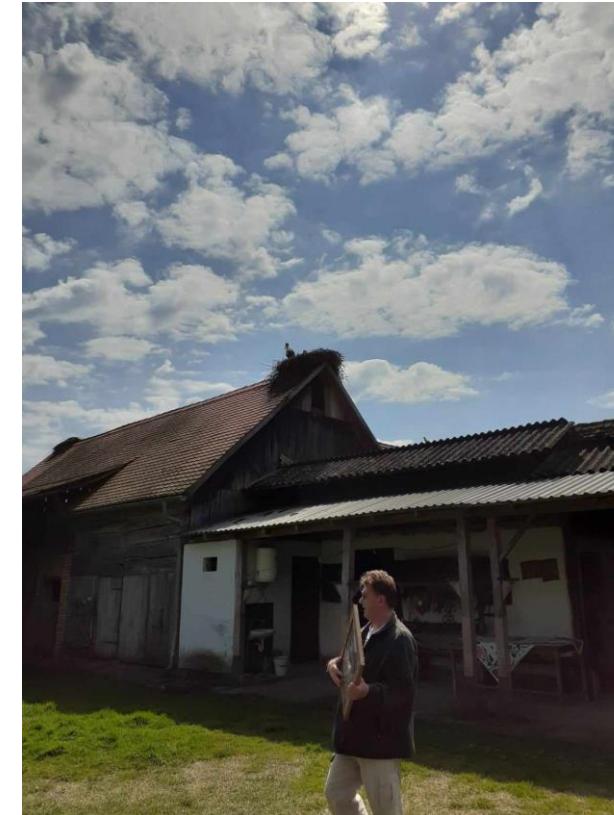

## 4th workshop: Getting to know the method of building wooden houses and the features of the Posavina house

Posavina houses can be disassembled like Lego blocks and reassembled. Residents dismantled houses and moved them to dry areas during floods.

5.radionica: Razgovor s najstarijim stanovnikom sela Čigoć i upoznavanje tradicionalnog načina života u skladu s prirodom: održivog način života

5th workshop:  
Conversation with the oldest inhabitant of the village of Čigoć and getting to know the traditional way of life in harmony with nature: a sustainable way of life

6.radionica: tradicionalne igre u prirodi

6. workshop: traditional games in nature

Tijekom boravka u parku  
prirode uživali smo u trenutcima  
odmora i pikniku.

During our stay in the nature  
park, we enjoyed moments of  
rest and a picnic.
